Information for DESS Class Mum

We consider ourselves to be extremely lucky to have a fantastically enthusiastic and talented group of Mums who have volunteered their time to act as representatives for each class at DESS.

As part of their role the Class Mums are called upon to disseminate information to the rest of their class on a regular basis. It is extremely important that their emails and telephone calls are responded to as early as possible as there have been incidents in the past when a parent has been excluded from an event, or a child may have been unintentionally left off the invitation list for a class party because the Class Mum has received no response to their emails, telephone calls or text messages.

Your child's teacher will advise you who your child's Class Mum is and will ensure that she communicates with you when your child starts school. To ensure that the Class Mum can contact you, please fill in the form below and return it to the school office as soon as possible.
